IS

LEXUS IS

A STIRRING EXPRESSION OF STYLE AND POWER

Thrilling and agile. Experience the pure sports driving pleasure of an inspired and spirited compact sedan.

The fresh evolution of the IS compact sedan builds on the inspired character and distinctive spirit of the IS as Lexus' original sports focused sedan. Its development started with the fun-to-drive experience and sporty design woven into the IS's DNA, and focused on evolving pure sports driving pleasure to a higher level, boosting driving fun and fuelling the desire to drive even further.

It is realised in a design that anticipates thrilling and agile driving performance in an intelligent and innovative package. A powerful face and athletic lines project an aggressive attitude at first glance. A closer inspection confirms the dynamic presence of a sports sedan honed for captivating driving pleasure.

In the cabin, this sporting attitude is balanced by refined Lexus sophistication, blending support for sports driving exhilaration with amenities and thoughtful touches to support an active lifestyle. Integrating advanced Lexus functionality that satisfies contemporary needs, with spacious comfort and ample capacity for passengers and their gear, to make every drive a true pleasure.

EXTERIOR DESIGN

Stating its pure sports credentials, the 'Aggressive Sports' design further advances the powerful athletic character of the IS.

The IS's dramatic statement of sporting intent is instantly compelling, its powerful stance and flowing lines projecting a vital sense of forward movement. The dynamic presence of the front face creates a clear contrast between a fresh evolution of the iconic Lexus spindle grille in the centre, and the power expressed by the solid corners that connect the front bumper and fenders.

The continuous lines of the 3-eye LED low beam headlights (F Sport/Limited) accentuate the sharpness of L-shaped LED DRL (Daytime Running Lights). From the rear, the muscular stance is heightened by the sense of depth projected by the bold layered design of the L-shaped LED rear combination lights. Angular shaped exhaust pipes add a premium touch to IS 300 and IS 350 models.

INTERIOR DESIGN

Refined features and attention to detail that are the hallmark of Lexus quality.

In the inviting space of the cabin, the outstanding functionality, intuitive operation and precise control of the sports-focused cockpit are the product of the innovative 'driving experience' development process. The high-quality functionality, look and feel of each component create a superb environment for sports driving pleasure.

It is evident in the sporty finish of the Optitron meters and advanced technology of the 10.3-inch EMV (Electro Multi-Vision) display. Together with refined details that support sporting operation and driving pleasure such as the shape of the supportive knee pads, plating on the shift knob, and electrostatic touch control for temperature settings. Passengers in the roomy rear seats will enjoy the luxury of Lexus comfort.

The ample boot space further extends the functionality of this compact sports sedan.

F SPORT PERFORMANCE

Evolved directly from the LFA supercar, the IS F SPORT advances an exclusive approach to sports performance.

Lexus created its very first F SPORT model to inject the sports performance of the LFA supercar into the IS. The F SPORT package further evolves the IS DNA with exclusive design, performance and equipment levels to boost its athletic prowess. It confronts you head-on with the muscular stance of the large 18-inch aluminium wheels, its powerful performance projected by the jet-black metallic F-shaped grille mesh that integrates the large brake cooling ducts. The exclusive F SPORT rear bumper incorporates the same F-shaped mesh to reinforce the sporty attitude.

In the driver's seat, the outstanding holding performance of the F SPORT seat is complemented by the precision and craftsmanship of the Naguri-style aluminium trim, leather steering wheel and shift knob, aluminium pedals, and the eye-catching F SPORT meter that evolved directly from the LFA supercar.

This feeling of sporting control is transformed into F SPORT exhilaration by the exclusively tuned suspension with AVS (Adaptive Variable Suspension system), which optimally controls damping force. It contributes to an exhilarating fun-to-drive experience that can't be measured in numbers alone, but also with smiles.

Fuel system:	D-4S (Direct-injection 4-stroke Superior-version). Recommended 95 octane or higher
Fuel consumption / CO ₂ emissions*:	9.5L/100km; 221g/km (combined). Recommended 95 octane or higher
Transmission:	8-speed Sports Direct Shift Automatic Transmission with G AI Shift control and Sport mode

LEXUS TAKUMI

Every Lexus is based on an uncompromising approach to creating premium automobiles. Inspired by our 'Yet' philosophy, we seek innovation in every facet of engineering through a sophisticated fusion of seemingly incompatible ideas such as 'high performance yet high fuel efficiency'. In addition, unique Lexus styling is born of our L-finesse design language, a fine balance of 'Leading-edge' and 'finesse', so that every Lexus is not only captivating and luxurious, but also highly refined. Finally, every new Lexus model is also measured against a set of internal standards covering design, performance, specifications and equipment, to confirm it is distinctive and worthy of the Lexus emblem.

This pursuit of perfection is evident at every stage of the manufacturing process. Every Lexus vehicle is created with a masterful skill and attention to detail inspired by both traditional artisanship and state-of-the-art engineering. For example, at the Tahara plant in Japan, precision components made using leading-edge digital technology are assembled and finished by master craftsmen called Takumi, whose technical expertise and sure senses are honed by decades of rigorous experience.

LEXUS CARE

Lexus Warranty

An important part of the peace of mind that comes with owning a Lexus is the built-in warranty on your vehicle. Each new Lexus vehicle comes with a four year unlimited kilometre warranty, supplemented by a six year Corrosion Perforation Warranty. This warranty is offered to the first owner and subsequent owners within this four year period.

Lexus Service Plan

The Lexus Full Maintenance Service Plan that accompanies every new Lexus covers all parts and labour costs associated with the Lexus recommended service schedule for a period of four years unlimited kilometres from the date of first registration. It combines an exacting standard of maintenance with a high level of customer convenience and ensures your Lexus is serviced, as it should be - by specially trained Lexus technicians.

Lexus On Call

With Lexus On Call we've made sure the service that makes Lexus unique will always be as close as your phone or computer. This way, you can summon assistance whenever required. In the event of an emergency or breakdown we like to take special care of you and your Lexus. Your comments are also important to us, so you're most welcome to contact us anytime and talk to us about your Lexus experience.

Lexus Plus

We know that a helping hand can be invaluable in an emergency. Lexus Plus, in conjunction with the New Zealand Automobile Association (AA), provides a special nationwide emergency service for Lexus owners. The Lexus Plus programme provides extended protection against the possibility of being stranded away from home because of a vehicle breakdown. It gives you constant access to immediate help 24 hours a day, seven days a week.

Lexus Plus offers a range of services whether you require roadside assistance to recover your vehicle or alternative transport home.

Lexus will also arrange any accommodation and rental car requirements that may arise if breakdown repairs cannot be completed on the day of the emergency.

Lexus Financial Services

There is an extensive range of tailored finance solutions available through your Lexus dealer designed to make acquiring a Lexus as effortless as driving one. Whether you require a fleet or personal finance plan, there are a wide range of options for leasing or purchasing a vehicle to suit your individual needs.

* Four Year Warranty is made up of three year New Vehicle Warranty and one year Lexus Care Warranty.
